- [2026-07-16 20:04:54 IST] PwnForums: Hi all, PwnForums is now online.

Cleartext domain: <https://pwnforums.st/>

Onion service: <http://pwnfrm7rbf6kyerigxi677lcz5ifmoagdbqqknwdu2by27wfdst5qmqd.onion/>

To begin with, we would like to clarify about what ...

- [2026-07-16 20:04:54 IST] PwnForums: Meet Angel Tsvetkov, better known by his aliases "N/A" and Caine.

Former BreachForums administrator to exitscammer, read his first dox here: <https://justpaste.it/bulgarianclown>

Credits to KeyserSoze1337 on Twitter f...

- [2026-07-16 20:04:54 IST] PwnForums: CDN is online and available. You should now be able to download any leak in our official databases section that you have unlocked with credits (<https://pwnforums.st/Forum-Official>), though if you encounter any issues ...
- [2026-07-16 20:04:54 IST] PwnForums: Addressing the recent site downtime, we're experiencing issues with our hosting provider, which has caused our servers to be offline for the past 36 hours.

The situation should be resolved in 2 to 3 days, as it's the...
