Conclusion

High-risk discussion pattern detected. Review the linked sources, entities, and sender activity.

Evidence

- [2026-07-22 20:45:54 IST] vx-underground: HOLY.

The two nerds from Scattered Spider got FIVE YEARS for profiting millions from ransomware and, most notably, ransoming critical infrastructure in the United Kingdom.

Dawg, move to the UK and do cyber crime. It...

- [2026-07-22 20:45:54 IST] vx-underground: They'll probably get out in two years. The United Kingdom is badass bro wtf ransomware is basically legal

- [2026-07-22 20:45:54 IST] vx-underground: After receiving an e-mail from the FBI, or EUROPOL, or whatever, about Operation Leak, I decided to establish a line of communication with the FBI.

I am now Super Top Secret (STS) FBI Agent Smelly Smellington, in cha...

- [2026-07-22 20:45:54 IST] vx-underground: Oh, this is the picture I sent:

- [2026-07-22 20:45:54 IST] vx-underground: The FBI after I keep sending them e-mails with pictures of cats for literally no reason (they hate my guts)
